We were going to revise the earlier draft response and share it with HQ. Did that happen?

Attached is a follow up letter from Gov. Herbert to the Administrator on this subject. HQ is leading the response and the region was CC'd on the letter though we may be asked to provide input. Please let me know if you have any questions. Thanks

Hi, All.

I chatted with Shaun...given the Administrator and Governor spoke, we feel we can close out the letter as answered. I realize the time folks put into it...but it helped to provide great background for the call. So thank you!

Hi Josh – Any intel on the Administrator's call with Governor Herbert yesterday? We were wondering if we need to make edits to the response letter we've drafted to the Governor.

I have edited the intro section to make clear we will respond to the Governor's letter after the Administrator speaks with him on Wednesday.

Please let Josh Lewis know if you have any changes to this briefing paper by noon (eastern) on Tuesday so we can get it into her book. (Josh—if you need comments sooner than that, please let folks know. I am assuming a mid-afternoon deadline from the 3<sup>rd</sup> floor).

Thanks all

Janet
